An aerial photograph showing a landscape with two distinct areas labeled. The area on the left is labeled 'PRIMARIA ALBESTI-70.48ha' and appears as a large, irregularly shaped, textured region. The area on the right is labeled 'PRIMARIA ALBESTI-66.15ha' and is a smaller, more irregularly shaped textured region. The surrounding landscape consists of various shades of gray, indicating different terrain types, possibly fields or forests, with some linear features like roads or paths visible.
